(d) Submits one copy each of the references deemed most closely related to the subject matter encompassed by the claims if said references are not already of record; and

(e) Submits a detailed discussion of the references, which discussion points out, with the particularity required by 37 CFR 1.111(b) and (c), how the claimed subject matter is patentable over the references.

The application file is being forwarded to the Examiner of Record for accelerated examination according to the procedures set forth in M.P.E.P. §708.02, Section VIII.
